## **Fairfax County Digital Aerial Photography Pricing & Distribution**

Orthoimagery is available for sale to the public. It is packaged in two ways - countywide and in quarter county coverages as is available. Most datasets are available in either 1-foot or 2-foot resolution. Year 2000 coverage is not complete and is 2 foot resolution only. Fairfax County does not sell the 2002 Commonwealth of Virginia imagery.

If a customer wants to purchase orthoimagery, the following prices, years of coverage, and extents are the options to choose from:

<b>Orthophotography Format: MrSID only</b>				
<b>Extent</b>	<b>Price</b>	<b>Year</b>	<b>Media</b>	<b>Resolution</b>
